ALLERGIES AND INTOLERANCES

At Bocketts Farm we take great care of our customers allergies and intolerances and our team are regularly trained and updated in allergen awareness. If you have any food allergies or intolerances or would like to see our list of ingredients and allergens, please let a member of the team know before ordering. Whilst we make every effort to control cross contamination, all our food is prepared in an environment which handles all fourteen allergens and so food being prepared may come into contact with other allergens. We cannot therefore guarantee that any item on our menu is allergen free.
